Good Morning! Welcome to our Worship!

This is a place where we experience God's presence together.

Our order of worship is a suggested guide but is not intended to restrict our freedom to respond as God directs. Listen for His Spirit. *You are encouraged to follow what is projected on the screen.*

A blue-tinted photograph of a snowy path lined with trees and streetlights. The path is covered in a thick layer of snow, and the trees are heavily laden with snow. Several streetlights are visible, casting a soft glow. The overall scene is serene and wintry.

We will grow to  
become in every  
respect the  
mature body of  
him who is the  
head, that is,  
Christ.
